

CHURCH FAMILY NEWS/MATTERS FOR PRAYER

PRO-LIFE: Continue to pray for the work of the pro-life movement here in Southern Alberta and throughout Canada. Pray that God would bring changes to our laws to protect human life from conception until natural death. Remember the pro-life banquets this week and Jonathon Van Maren as he speaks on the hope for the pro-life movement. Give thanks also for the Lethbridge Pregnancy care centre and for the staff who serve there. Pray that the lives of many unborn babies will be saved through the counsellors in this centre.

HEALTH CONCERNS: Please pray for a swift recovery for Karen Van Seters from a broken shoulder and for Malakai Van Dyk as he heals from a fractured foot. Pray for patience for them both as they await being able to resume their normal activities. Also, please continue to keep in your prayers Adri Warmink in her recovery from illness.

MISSIONS COMMITTEE: As our mission's committee meets this afternoon please pray for wisdom as it considers options for a summer mission trip and its ongoing provision of mission updates for our congregation.
