"May the favour of the Lord our God rest on us; establish the work of our hands for us - yes, establish the work of our hands."

Psalm 90:17

Hello Friends!

Happy Friday :) I hope that 2018 is off to a good start for all of you. In the office, we have been busy with many small projects that make me excited for the year ahead! If I have not heard from you in a while, I would love to hear your plans and dreams for 2018!

Here are just a few of the things that have been keeping me busy these last few weeks:

1. Missions Fest/Trinity Western University

The end of January brought Missions Week across Canada, and GAIN had a booth at Missionsfest (Vancouver), Breakforth (Edmonton), and Trinity Western (Langley). It is always interesting to see who you will meet and what sort of conversations happen. I especially enjoyed my time at Trinity Western, as it is always great to encourage students to realize and follow their dreams!

2. Paraguay Trip Debrief

At the end of 2017, I was able to travel to Paraguay and experience GAIN's project there! I loved what I saw!! Since then, I have been busy re-doing our agreements with the field staff, and many of the other logistics/paperwork required for a project in the field to exist and thrive.

3. Paraguay Event Planning

In March, we will be hosting one week of fundraising events in Manitoba and BC. Our partner from Paraguay's microfinance project will be the keynote speaker, and it promises to be interesting and informative! Many of my hours recently have been spent putting together all of the details for each of these events.

4. 1000 Well Celebration

The staff in the office have been very busy planning a huge milestone event... the drilling of 1000 wells in Benin West Africa! That means that approximately 10% of Benin's population gets water from a GAIN well! What a testimony to God's faithfulness.

5. LIFE Team Planning

In the next few months, GAIN will be taking teams of volunteers to both Lebanon and Paraguay! If you are interested in either one of these, please let me know or click [here](#).

Praise/Prayer Requests

- Please continue to pray for the ministry of GAIN as a whole, that God would bless our work and His name would go forth.
- Please pray for the upcoming Paraguay events, that no details would be forgotten and people would be interested!
- Please continue to pray for the relief and development projects in Iraq and Syria, and the ongoing and daily struggles they face.
- Please continue to pray for me, in both my ministry and my personal life.

As always, I would love to hear what is new in your life and how you are doing!
