Micii Exploratori, Little Explorers. They meet every Thursday and Friday evening for a Bible lesson, fun and games. They are also preparing for summer camp and could use your help.

Many are the plans in a man's heart, but it is the Lord's purpose that prevails. Proverbs 19:21

I would like to share a few important things that recently occurred in the life of our church community.

1. Our kids club, pictured above, is preparing for a week in the country. We received sponsorship from a generous business in Brasov for 25 children to attend camp. This may be an opportunity for you to participate by sponsoring one or two or ten children, since there will be about 35

attending. Cost for each participant is about \$125 and we would love to see all 10 sponsored. If you want to send a child to camp, make a donation to Derek Ebbers Account #12140. Thanks in advance for your participation. Camp is in 2 weeks!!

2. Maurice and Derek had the opportunity to act as substitute teachers at a local school in our neighborhood. We taught English to grades 3, 5 and 7. We received positive feedback from the students and more importantly from the Director. They are already looking for ways to plug us into next year's program on an occasional basis. Great community connection.
3. We have begun receiving members for the first time in the life of our church. Two Sundays ago we received 6 members and plan to receive at least as many more in the next couple weeks.
4. We are also looking forward to our first Baptism. A young man in the church, baptized in the Orthodox Church, wants a believer's baptism to confirm publicly his commitment to the Faith. We are planning for that in a couple weeks as well.

A Sunday afternoon hike with some church friends and kids' club leadership. **Pray** that God will touch the hearts and lives of all attending.

Send a kid to camp

Please continue to pray for our family now divided by an ocean.

The local school where we were able to teach English. **Pray** that this will continue to be an open door into the lives of many in our community.

Thanks for partnering with us. Thanks to Pastor Jeff and Katie Jakes from Orlando, FL for a wonderfully encouraging visit! If you are already part of our team, we thank you! If you would like to become a team member or increase your participation, we would love to have you join us. **Pray** that God would raise up new partners to sustain the work in Codlea and Brasov, Romania.

Become a team member

On behalf of the Gorcia family, many thanks for allowing the Ebbers to be part of our family!
