

**CHURCH FAMILY NEWS/MATTERS FOR PRAYER**

Remember in prayer Annette Lieuwen and her family as she mourns the passing of her mother in Brooks.

Pray for healing for baby Norah Van Dyk, new daughter of Jordan and Lindsey and granddaughter of John and Joyce, as she spends time in hospital in Calgary.

Give thanks for a good study break for Pastor Ian and for ongoing progress for Rhoda in her physio.

Give thanks also for ongoing recovery for Nellie Toeters from her recent surgery.

Pray for the Lord’s blessings on our community groups as they resume meeting in this new church year and for the elders leading each of these groups.

As we begin a new year of Mommy & Me pray for all the moms and little ones who will be a part of our program. Give thanks for those who will lead and come alongside our moms. Pray too that new moms will come along on Friday mornings and for relationships that will be made.
