10 years in Romania

Things have changed some in the past 10 years. We have changed, the team has changed, the church has changed, but one thing is clear,
God never changes.

The main story

We have experienced God's faithfulness every step of our 10 year journey in Romania. Team members have come and gone. The church moved into our immediate community. There have been marriages and baptisms. There have been a variety of community projects sharing the love of Christ on a weekly basis.

We will share with you a variety of our activities and our impact in the community through the lives of our multi-cultural team.

- Church life
- Kids club
- English as a second language
- Music project
- Community building

Newest Addition

A young couple just had their first baby on Aug. 09 and Shannon and I took them a meal after they arrived home from the hospital. Shannon was a great encouragement and help for this new mom. This is the smallest bundle of joy either one of us has ever held. Alma weighed in at 2500 grams upon exiting the hospital. **Please pray for Alma and her parents Mihai and Madalina.** We have another young couple expecting in just 4 weeks.

Little Explorers Club

We asked for your participation in sponsoring 10 kids for our summer camp. Thanks to a Florida church 4 kids were sponsored. There is still time to sponsor the other 6. This was a great opportunity to share the love of Christ with 30 young children. **Pray that the Holy Spirit will draw these children and their families into relationship with the saving God!**

Music Project

We are thankful for the initiative of our Brazilian partner Ronaldo and the start of the community music project. After just 3 weeks there were about 10 kids ages 11-15. This is an evangelistic project as well as leadership training for young people.

Church Family

Celebrating with a young couple with an open house. Cipri and Maria just acquired their own 'home' and served many that helped make it possible a delicious meal. I had an opportunity to encourage them with a few thoughts on a Biblical view of home.

New Team Members

We are thankful for the arrival of the Kreider family (Derek, Catalina, Elin, and Atticus) on July 28. They are settling in and have begun language study. Pray for their transition and praise God with them for arrival of their personal goods and a wonderful house.

Thank you for your faithful and consistent support of our family and ministry. We could not be here without you.

Blessings to you all from Derek, Shannon, Isaac, Elijah, and Hannah.
