## UPCOMING EVENTS

**SECOND COLLECTION:** The deacons will be holding a special second collection for the work of the Justice Centre for Constitutional Freedoms this morning. The Justice Centre for Constitutional Freedoms is a Canadian non-profit legal organization based in Calgary, Alberta specializing in Canadian constitutional law, specifically in interpretations of the Canadian Charter of Rights and Freedoms. The organization was founded in 2010 by John Carpay, a former provincial director of the Canadian Taxpayers Federation representing Alberta and a former candidate of the federal Reform Party and provincial Wildrose Party. The JCCF has acted as an intervenor in several court cases involving questions of constitutional rights; particularly those involving Evangelical Christians, anti-abortion groups, or associated groups that have felt their religious values have been compromised. By acting as an intervenor, the JCCF is able to have their position on the legal questions brought before the court without actually being the official legal counsel for the individuals and organizations on whose behalf the JCCF was intervening.

**MOMMY & ME:** All moms and pre-school children are invited to join with us on Friday morning, 9:30-11:00am, in the church basement for a time of fun, fellowship, crafts, games and snacks.
