Our story.

⁷ But we have this treasure in jars of clay to show that this all-surpassing power is from God and not from us. ⁸ We are hard pressed on every side, but not crushed; perplexed, but not in despair; ⁹ persecuted, but not abandoned; struck down, but not destroyed. ¹⁰ We always carry around in our body the death of Jesus, so that the life of Jesus may also be revealed in our body. 2 Cor. 4:7-10

This is the view from the gym window. It is an Orthodox cemetery vibrant with life surrounded by hopelessness.

Does it feel like we are being taken apart little by little? This year has been one with many ups and downs, mostly downs, and it's only June.

1. We have seen our teammates head back to the States for some medical issues facing their boys.

2. We have experienced the pain of our Romanian partners suffering under the pressures of the IRS equivalent.
3. We have seen our support account get hit hard in May and June.
4. We are getting closer to finishing our Third Millennium translation project.

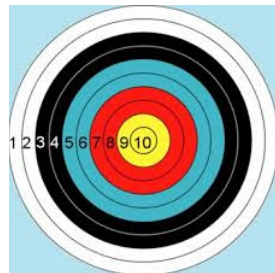

Pray for the Kreiders

The Kreider family has been plagued with sickness almost since they arrived last July 28. I can't even count how many doctor visits and hospital visits were made, but they have made the rounds. It became evident that they needed urgent care from English speaking doctors. Pray that they will receive resolution to the issues facing the boys, Denton 6 months and Atticus about 2 1/2.

Pray for Codlea Christian Community.

Pray for our leadership, our upcoming camp for our kid's club, and a Romanian pastor to lead our community. Let me know if you are able to sponsor a child for camp.

Don't forget about us. This might be harsh, but

I know it's summer and everyone is busy, but we still depend on your faithful giving to meet our budget. I'm sure you understand that receiving only 1/4 of our June budget is troublesome, just as you would feel the pinch. **Please if you haven't given what you pledged or promised, Please do that soon.**

We are almost there.

Thanks to your support we hope to complete the last 8-10 lessons in the next month or two. **Pray that this resource will be a blessing to our Romanian brothers and sisters.**
