## CHURCH FAMILY NEWS/MATTERS FOR PRAYER

**FROM JASON AND LIZ POLK:** Prayer Items:

- 1) We are currently surveying potential locations for new church plant locations, which we would hope to begin in the next 12-18 months. We have done initial visits to the Furi and Qoye Fette neighborhoods, and we are praying for discernment on whether these might be future church plant sites.
- 2) I will be leading our full ministry team of ~20 people in a "Sonship for Africa" week at the end of July, helping ground us in the gospel and prepare for leading similar trainings with local pastors in the upcoming year.
- 3) We just finished our Rainy Season VBS in the Suki community and had around 200 kids in attendance. Pray that the lessons and Scriptures from the week would enter their hearts and minds.
- 4) We are praising God that after many months of "go-around" with various government offices, God has reopened the door for us to host short-term medical teams in Addis. We are very thankful for this provision.
