

## UPCOMING EVENTS/NOTICES

**Church Media Subscription** – At the request of the discipleship committee, session has decided that Westminster Chapel will subscribe to RightNow Media, which is a *customizable* video bible study library for every person in our church. There are thousands of sermons, videos and bible studies, many with Leader Guides and Handouts. There are hundreds of children's videos as well, including popular series like Veggie Tales. The desire is to offer these resources so that they may be used in your homes for personal teaching and bible study, or as resources for small group studies that you may want to share with others in the church, or even in your communities. Session asks that you be aware that this resource is a very large library, and as such, session cannot review all the content, and does not endorse all its content. It needs to be used critically and wisely, as a resource used with the Bible, not in place of it.

More details will follow on the launch date, Sunday June 9<sup>th</sup>, when everyone we have an email address from will be sent an invitation to use the subscription. If you have any questions, please ask an elder or a member of the Disciple Committee (Allan, Bernita, Bill S, Marian, Tanya).
